Continuation of 2(b) Other: Corrections to the abstract are still missing. It is not clear what Applicant has amended. Applicant cannot replace the abstract in its entirety unless the abstract has been substantially amended. If only minor changes have been made to the abstract, Applicant must show the changes. It does not appear that the abstract has been substantially amended, therefore, the changes made must be shown by Applicant by underlining any added text and showing the deleted text either by striking through the text or placing the deleted text within double brackets if strikethrough cannot be easily perceived.
